You can't get it any fresher!

That's because we produce our gourmet popcorn right here in our kitchens and individually hand fill each tin just prior to shipping.

Choose from our rich melt in your mouth caramel corn (our old-fashioned secret recipe includes quality ingredients such as butter and brown sugar), zesty cheese corn (made with real cheese!—no "shake on" flavor here), and premium buttered popcorn. Can't decide? Our 3-way popcorn sampler includes a generous portion of all three!

You'll have to taste it to believe it!
